# Mark John Sumalde

Junior Web Developer

Summary

Highly motivated and self-taught Junior Web Developer with hands-on experience in developing web applications using PHP, HTML, CSS, Bootstrap, SQL, Git, and GitHub. While I do not have formal experience in a corporate setting, I have applied my skills to freelance projects and successfully developed a web application as part of my capstone project. I am eager to contribute to dynamic teams and grow professionally as a web developer.

Education

Senior High School

2018-2020

Caramoran School of Fisheries
